EDUCATION

Bachelor in Computer Engineering

IOE Purwanchal Campus
2024 - present

+2 Science

Shikshadeep College
2021 - 2023

TECHNICAL SKILLS

Languages:

- Intermediate Python
- C/C++
- JavaScript

Web Technologies:

- HTML , CSS
- MERN Stack
- Tailwind css

Data Science & Machine Learning

- NumPy & Pandas
- Scikit-learn
- Sklearn
- Jupyter Notebooks

Other Tools

- Linux
- Git/Github

LANGUAGE

- English
- Nepali
- Hindi

PROFILE

I'm a programmer proficient in Python, C, and C++, with a strong passion for data science, machine learning, and web development. I enjoy exploring Linux and open-source technologies, contributing to projects, and learning from the vibrant developer community.

EXPERIENCE

- Hackathon Participant

I participated in X Hack 3.0, a hackathon organized by EXCESS, IOE Purwanchal Campus as part of the CS50xNepal program.

- MERN Stack Mentor

Guided learners in building full-stack web applications using MongoDB, Express, React, and Node.js, covering both frontend and backend development.

PROJECTS

- [Classic Games GUI](#)
- [Receipt Sharing](#)

CERTIFICATION

- [Coursera](#)
- Javascript Essentials
- MERN stack
